## Strategic Plan (Year 2021-22 to Year 2025-26)

The college made a perspective plan considering the five years as a post accreditation step for the overall development of college.

- To provide quality education especially for students hailing from rural area.

- To organise extra workshops, seminars & study tours for the students.

- To provide various skill development courses according to New Education Policy which offer professional ethics and maintain sustainability through Skill Development Centre.

- To develop new methodologies to enable various improvements in the existing teaching learning process.

- To promote education through industrial collaboration and MOU with educational institutions and company.

- To provide a platform for innovation and entrepreneurial initiatives among students.

- To innovate & introduce new job oriented courses to meet the changing need of stakeholders.

- To develop of playground which leads to increase in physical strength, expertise in different games as well as mental ability of the student.

- To provide more opportunities for developing leadership qualities among our students through extra-curricular activities.

- To focus on enhancing decision making & critical thinking in students.

- To develop a healthy body through sports and special training programmes.

- To enhance students' appreciation and performance in arts and culture.
- To raise social consciousness of students towards protecting the environment through NSS.
- To encourage faculty to take up long and short term courses, faculty development programmes, refresher courses, orientation program, paper presentation etc. for outstanding performance of faculty.
- To start P.G. courses for the students in the same campus.
- To plan for Alumni Registration.
- To upgrade library resources to include digital content which can be accessed by student and faculty online.
