Empowerment of Women Through Education

PROSPECTUS

Welcome

The members of **Maharshi Karve Mahila Mahavidyalay, Satara** would very much like to welcome you as a valued student. Thank you for taking time to look through our prospectus. We hope you will find it an encouraging introduction to the college.

About Our Samstha

Our parent body "Maharshi Karve Stree Shikshan Samstha's has century long history of dedicate work towards making a women educated and self reliant.

In 1896, Maharshi Karve started an ashram at Hingne, near Pune for widows and other helpless women. Despite opposition and with very meager resources, he started a simple programme of schooling for the ashram inmales because he firmly believed that was only through education that they could be made self reliant and free.

About Our University

In December 1915 Karve in his presidential address to the National Social reform Congress at Bombay announced his decision to shape his dream into reality and in 1916 the first college started with the enrollment of five students which gradually took shape as women's university.

The vision of Maharshi Karve and the foresight of Sir Vithaldas Thackersey led to the establishment of the first Women's University in Inida. Recognizing the

pioneering work of Dr. Karve, Sir Vithaldas Thackersey made a generous contribution of Rs. 15 lacs to commemorate the memory of his mother, Nathibai. In 1920, after the great benefactor's mother Nathibai, the University was named as Shreemati Nathibai Damodar Thackersey Women's University.

Today, SNDT has become a symbol of excellence in higher educational opportunities for women. The journey has been a long one since 1916. There are three university campuses two at Mumbai-Churchgate and Juhu and one at Karve Road, Pune and one at Gujrat, Ahmadabad.

Vision

To be renowned institute for imparting quality education for empowerment of women.

Mission

- 1) To Provide quality education to girl students from rural and semi urban population irrespective of caste, religion and diverse socioeconomic status.
- 2) To develop competent women IT Professionals with capability to contribute effectively for the society.
- 3) To equip and empower students with relevant knowledge, competence and creativity to face challenges.
- 4) To enhance mutual understanding, cooperation and to inculcate social as well as ethical values among the students.

IMPORTANCE OF PROGRAMMES

• Scope of BCA •

BCA is new age degree course in the field of computer applications. The duration of course is 3 years. After completion of BCA, students can do masters or they try for job opportunities. Bachelor of Computer Application is a course that is customized for students wishing to shine in the field of computers and information technology. BCA graduates can start up their career in either government sector or private sector since there are lot of opportunities in both these sectors. This degree helps the students to get a sound knowledge on Computer Application with help of which they can have a perfect launch pad for challenging career in the field of information technology. Most of the students doing their higher secondary education think that science students alone can apply for the BCA course. But, this is not true, even arts and commerce students can apply for BCA course. There are many national IT companies like Infosys, Capgemini, Wipro, Reliance, TCS, Cognizant etc. which are looking for qualified BCA students. On an average, the students of BCA gets Rs. 17,000/- to 20,000/- per month. The salary can further be increased by having some work experience in some good company. Now BCA is under AICTE.

• Program Outcomes (BCA) •

Scope of Bachelor of Commerce

Commerce is the cornerstone of the modern economy. It relates to the economic, political, legal, social, cultural and technological activities that impact on commercial interactions around the world. Students will also learn the fundamentals of economics and how the decisions of individuals, businesses and government influence the behavior of the economy.

There are various study areas that open up as many career opportunities as Commerce. Graduates in Commerce work all over the world. They work in banking, management, finance and insurance. They work for the government, major corporations and themselves. Graduates will be able to explore several career paths.

Examples of roles that graduates can pursue include operations manager for a small-to-medium enterprise, stockbroker for a national stock exchange, business analyst in a bank for consulting firm, economic advisor to a government minister, marketing consultant in a large corporation, self-employed financial advisor or analyst for a bank or financial institution.

Program Outcomes (B.Com-Financial Accounting & Auditing)

- PO1 : To gain thorough fundamental knowledge of commerce, Management and accounting.
- PO2 : To get the knowledge of different specializations in accounting, costing, banking and finance with the practical exposure helps the students to stand in organization.
- PO3 : To prepare students to face challenges in the present competitive market.
- PO4 : To understand ethical, social, sustainable business issues.
- PO5 : To develop among the students the qualities of entrepreneurship and give the ideas about business strategies.

Program Outcomes - B.Com Vocational (Computer Application)

- PO1 : To impart them about the knowledge in different areas in commerce specifically with the application of software technology for professional requirements and for effective domain enrichment.
- PO2 : To make aware about the scope of the business by adopting modern technology in business practice.
- PO3 : To prepare students with necessary skills in Commerce as well as software technology for becoming entrepreneurs.
- PO4 : To understand ethical, social, sustainable business issues.
- PO5 : To identify the need to develop among the students the qualities of entrepreneurship and give the ideas about business strategies.

COLLEGE INFRASTRUCTURE

Library

A college would be incomplete without a good library. It forms an integral part of any college as it helps students with its vast collection of books. The main objective of it is to support the educational & research needs of institute by providing physical & intellectual access to information. The library consist of Reference section, Journal Section & Reading Hall.

A n o p e n
accessed library where
students can freely makes
use of 10000 books,
periodicals, magazines, journals & educational CD's on various
subjects. Our library consists of subjects other than those taught in
college.

Computer Laboraory

Computer Laboratory is an integral part of any Computer college. It is th
place where student should practically learn the subject. Computer
Laboratory has networked computers with a latest hardware
configuration. All the computers are equipped with latest software
required to cover the BCA syllabus.

Printers are made available for the students during their submissions. In
addition, A Broad-band Internet facility is also available. However, the
computer laboratory is passing through the transformation stage, so as
to make it at par with IT industries. Internet access is given to all
students in their practical hours and whenever demanded during

college hours.

EXTRA CURRICULAR ACTIVITIES

1. NSS CELL :

With a motto of 'Not me But you' the NSS unit of this college has been very active with tremendous response among students. It provides opportunities to students to understand and appreciate problems in society. Volunteers have completed several social service projects such as village cleaning, tree plantation, literacy, health campaigns etc.

2. SPORTS CELL :

Though it is computer institute, many of students are ahead in sports field. Our students played various games at zonal interzonal, Interuniversity, state, national level like swimming, chess, basketball, volleyball, kho-kho, kabaddi, judo, boxing and athletics.

3. CULTURAL CELL :

It provides various opportunities to the students. It helps to develop various skills like presentation, communication and also helps the students to develop the confidence. SNTD University organises Youth Festival at Zonal and Central level. Every year college participates in most of the events at both the levels. About 100 students participate in Zonal Youth Festival and 50 students participate in grand finale at Churchgate Mumbai.

4. SKILL DEVELOPMENT CELL :

There is a career guidance bureau also in the college which regularly conducts seminars, group discussions, workshops, preparation for interview and personality development programmes. The library provides the guidance materials in the form of books, magazines and journals for different competitive examination.

5. PLACEMENT CELL :

Marks scored in the exam, are not sufficient to get the job, so it has become necessary for the students to acquire necessary professional skills. Mastery over the Softskills, Communication skills and Professional skills has become the most essential in achieving success in the corporate world. Getting the right job information at right time is very important. Realizing, the Institute has separate placement cell.

6. MAHARSHI :

'Maharshi' the college magazine spreads the essence of college in the form of words annually. It aims at providing an outlet and reputed stage to the creative as well as literary talent of students and also students are encouraged to express their opinions and views on related topic in the form of fiction, non-fiction, poetry, one act play and story. It is the mirror of annual progress of institute in various fields.

7. STUDENT COUNCIL :

It is union of students and teachers who want to reform society and develop society through preservation. The aim is to inculcate the rational thinking among the students. Student Council tries to generate sense of equality, social justice, secularism, women empowerment among the students.

8. ALUMNI :

The alumni association of the college was established in the academic year 2012-13. It provides a forum for alumni to maintain and part to college and consequently be a part of Karve family.

9. PARENTS MEET :

The college organizes parent-teacher meetings twice in a year under the guidance and presidency of principal. Teachers and parents as well as students attend the meet.

10. NEP CELL :

The National Education Policy 2020 (NEP2020) in India brings several significant changes compared to the prevalent education policy at its introduction. NEP2020 is being gradually implemented across educational institutions in India, including SNDT University Mumbai. Our college has also implemented NEP 2020 from the academic year 2024-25 to enhance learning and provide diverse opportunities to its students.

EXAMINATIONS

1. ATTENDANCE :

The Students are required to have 75% of attendance in each subject, one who fails to fulfill the condition will not be allowed to appear for the final examinations of the semester. In case, the absence is due to illness, medical certificate will have to be produced for consideration.

Examination and Evaluation : ● F.Y.- College level Examination

- Attendance : 75% in each subject
- S.Y. & T.Y. - University Examinations

2. MARKING SCHEME :

*External 75 * Internal 25

All courses are for 3 years. It has six semesters in all. The exam, pattern for each semester is divided into two parts. i.e. continuous assessment (i.e. 2 Unit Tests and 1 Preliminary Exam.) and term end exam (i.e. Final Exam.). Here, continuous assessment accounts 25% which is considered as internals and Externals.

3. PASSING CRITERIA :

Courses/Criteria	BCA	B.A./B.Com.
Internal	Min. 10 marks out of 25	Min. 9 marks out of 25
External	Min. 30 marks	Min. 26 marks

● 4. REQUIREMENT TO KEEP TERMS :

If the total number of papers in semester I and II (or III and IV) put together is 12 then, a student allowed to keep term in 5 or less than 5 papers.

RESULT

The Institute has the tradition of high success. The University examination results of the Institute are always ahead of the average results. The college maintains a good tradition of results. Many students from our college have bagged SNDT University Merit Ranks.

GENERAL INSTRUCTIONS
