EMPOWERMENT OF WOMEN THROUGH EDUCATION...

Welcome

The members of college of Computer Application for Women, Satara would very much like to welcome you as a valued student. Thank you for taking time to look through our prospectus. We hope you will find it an encouraging introduction to the college.

Vision

**EMPOWERMENT OF WOMEN THROUGH EDUCATION..........**

About Our Sanstha

Our parent body "Maharshi Karve Stree Shikshan Santhas" has century long history of dedicate work towards making a women educated and self reliant.

In 1896 Maharshi Karve started an ashram at Hingne, near Pune for widows and other helpless women, Despite opposition and with very meager resources he started a simple programme of schooling for the ashram inmales because he firmaly believed that was only through education that they could be made self reliant and free.

About Our University

In December 1915 Karve in his presidential address to the National Social reform Congress at Bombay announced his decision to shape his dream into reality. and in 1916 the first college started with the enrollment of five students which gradually took shape as women's university.

The vision of Maharshi Karve and the foresight of Sir Vithaldas Thackersey led to the establishment of the first Women's University in India. Recognizing the pioneering work of Dr. Karve. Sir Vithaldas Thackersey made a generous contribution of Rs. 15 lacs to commemorate the memory of his mother, Nathibai . In 1920 after the great benefactor's mother Nathibai, the University was named as Shreemati Nathibai Damodar Thackersey Women's University.

Today SNDT has become a symbol of excellence in higher educational opportunities for women. Thejourney has been a long one since 1916. There are three university campuses two at Mumbai-Churchgate and Juhu and one at Karve Road, Pune and one at Gujrat, Ahmadabad.

ABOUT US

The College of Computer Application for women is established in Academic year 2000-2001. The college is affiliated to S.N.D.T. Women's University, Mumbai. Within a short span of 17 years the college has acquired reputation for quality education. The institute is related and interested to offer Bachelor Degree in Computer Application. Looking to the flow towards B.Com and B.A. Courses, we gave a thought to start up with these degree courses and for the last 5 years, we are successfully running these courses.

PROGRAMME OFFERED

Sr. No.	Programme Name	Duration	Intake
1.	BCA	3 Years	120
2.	BA (Economics)	3 Years	120
3.	BA (English)	3 Years	
4.	B.Com.	3 Years	120
5.	B.Com. (Vocational)	3 Years	

ADMISSIONS

1.0 General

1.1 All the courses are full time 3 years (6 semesters) degree courses. Each year comprise of two semesters.

1.2 Medium : English / Marathi

1.3 Eligibility

Course Name	Eligibility
BCA	• Passed HSC or other equivalent qualifying examination with 45% marks (40% for reserver category) • Passed MCVC or Diploma in Engineering in concern subject. • Direct SYBCA - passed MSBTE Diploma with first class (Except civil Engg.)
B.A.	• Passed HSC or other equivalent qulifying examination with 45% marks (40% for reserve category)
B.Com	• Passed HSC from commerce faculty or other equivalent qulifying examination with 45% marks (40% for reserve category)

2.0 Online Application process

Candidates/students aspiring admissions to BCA, BA, BCom courses to apply through online admission process. The forms are made available online on SNDT university website - www.sndtdigitaluniversity.ac

The print out of application form to be submitted to the college. The candidate must attach certified true copies of following documents along with the application form.

a) SSC Marksheet

b) HSC Marksheet (12th std.)

c) HSC Certificate (12th std.)

d) School Leaving Certificate (original)

e) 2 Stampsize photographs.

f) Caste Certificate (if applicable)

g) Certificate for change in the name

   Migration certificate (if applicable)

However, the candidate will be required to produce all original documents at the time of admission.

3.0 Admission procedure adopted by the admission committee

3.1 A candidate selected for admission will be called to her position in the Merit List and will be offered a seat available.

3.2 The candidate will be required to bring with her the original documents for verification before the admission is confirmed.

3.3 In case the candidate is unable to produce original marks certificate and if all other documents tally, she may be given one day's time to produce original certificate, provided that she promises to bring the certificate within the stipulated time limit, her admission will be liable to be cancelled.

3.4 In the absence of other original documents or in the event of any discrepancy found in any of her documents her name will be liable to be removed from the merit List.

3.5 The Candidate selected for admission will be required to remit the fees immediately.

3.6 In case a candidate fails to remit fees in time, next candidate in the merit list shall be considered.

3.7 In the event of a doubt or dispute about admission, the decision of the admission committee/management shall be final.

• Scope of BCA •

BCA is new age degree course in the field of computer applications. The duration of course is 3 years. After completion of BCA, students can do masters or they try for job opportunities. Bachelor of Computer Application is a course that is customized for students wishing to shine in the field or computers and information technology. BCA graduates can start up their career in either government sector of private sector since there are lot of opportunities in both these sectors. This degree helps the students to get a sound knowledge on Computer Application with help of which they can have a perfect launch pad for challenging career in the field of information technology. Most of the students doing their higher secondary education think that science students alone can apply for the BCA course. But, this is not true, even arts and commerce students can applly for BCA course. There are many national IT companies like Infosys, Capgemini, Wipro, Reliance, TCS, Cognizant etc. which are looking for qualified BCA students. On an average, the students of BCA gets Rs, 17,000/- to Rs. 20,000/- per month. The salary can further be increased by having some work experience in some good compamy.

• Special features at our college •

1. Highly Equipped Computer Laboratory, 75 Computers, Servers, switches, Hubs, LCD monitors and etc.

2. Internet facility to assist Student around Clock.

3. All practical are performed by individual students.

4. In-house project in the final year of BCA, assisting one faculty to each student personally.

5. Assessing each student progress monthly through practical test for each programming language at the end of the month.

6. Campus interviews for job assistance after BCA.

7. Lab assistants are available to provide basic assistance in the use of the computer.

8. Wi-fi campus

Scope of Bachelor of Commerce

Commerce is the cornerstone of the modern economy. It relates to the economic, political, legal, social, cultural and technological acivities that impact on commercial interactions around the world. Students will also learn the fundamentals of economics, and how the decisions of individuals, businesses and government influence the behaviour of the economy.

There are various study areas that open up as many carrrer opportunities as Commerce. Graduates in Commerce work all over the world. They work in banking, management, finance and insurance. They work for the government, major corporations and themselves. Graduates will be able to explore several career paths.

Examples of roles that graduates can pursue include operations manager for a small-to-medium enterprise, stockbroker for a national stock exchange, business analyst in a bank for consulting firm, economic advisor to a government minister, marketing cousultant in a large corporation, self-employed financial advisor, or analyst for a bank or financial institution.

f. The purpose of cancellation should be clearly stated in application
g. The application should be signed by Head of the Department
h. The application should be 'in-warded' by the department office.

INFRASTRUCTURE

Library / Reading Hall

A college would be incomplete without a good library. Library forms an integral part of any college as it helps students with its vast collection of books. Any student joining a college should make it a habit to visit the library regularly. So we have allotted one compulsory lecture as library hour in our time table.
An open accessed Library where students can freely make use of 10000 books, periodicals, magazines, bound journals and educational CDs on various subjects. Our Library consists of subjects other than those taught in the college.

There are not only books but also News Papers and Magazines like CSR, University News, Chips, UNIX, Computer Active, Udyojak, Yojana etc. and projects for reference.

The librarian gives an introductory lecture by visiting the classes. It will help students to get first hand information as to what is in store for them in the library. It will also generate interest and curiosity in the books.

Computer Laboratory

Computer Laboratory is an integral part of any Computer college. It is the place where student should practically learn the subject. Computer Laboratory has networked computers with a latest hardware configuration. All the computers are equipped with latest software required to cover the B.C.A. syllabus.

Printers are made available for the students during their submissions. In addition, A Broad-band internet facility is also available. However, the computer laboratory is passing through the transformation stage, so as to make it at par with IT industries. Internet access is given to all students in their practical hours and whenever demanded during college hours.

Class Room

Well equipped digital class rooms

(Class Rooms)

(Conference Room)

SCHOLARSHIPS & AWARDS

Various scholarships are made available to the students. Eligible student can apply through proper channel. Notices regarding the procedures and types of scholarships, payments of scholarships etc. are displayed on notice board time to time.

EXTRA CURRICULAR ACTIVITES

1. NSS FACILITY :

It is social service scheme started by the government during september 1969. It provides opportunities to the students to understand and appreciate problems of community, to involve in community, to make contribution to the socio-economic progress of the country, personality development through community services. Student works for two continued years in NSS. Ten additional marks are given for two

2. SPORTS :

We provide facilities for table tennis, Chess, Base Ball, Boxing, Cricket, Weight Lifting, Basketball, Carrom and other sports. The college selects teams of the students on the basis of screening tests which are conducted in the month of July an these teams participate in the inter-university tournaments. In the month of January, the college level tournaments are organized.

3. CULTURAL ACTIVITY :

It provides various opportunities to the students. It helps to develop various skills like presentation, communication and also helps the students to develop the confidence. SNDT University organises Youth Festival at Zonal and Central level. Every year college participates in most of the events at both the levels. About 100 students participate in Zonal Youth Festival and 50 students participate in grand finale at Churchgate Mumbai.

4. CAREER GUIDANCE BUREAU :

There is a career guidance bureau also in the college which regularly conducts seminars, group discussions, workshops, preparation for interview and personality development programmes. The library provides the guidance materials in the form of books, magazines and journals for different competitive examinations.

5. PLACEMENT CELL :

Marks scored in the exam. are not sufficient to get the job, so it has become necessary for the students to acquire necessary professionals skills. Mastery over the Soft skills, Communication skills and Professional skills has become the most essential

in achieving success in the corporate world. Getting the right job information at right time is very important Realizing this, the Institute has seperate placement cell.

6. MAHARSHI :

Maharshi is the yearly magazine of the college. It reflects the college in whole. It talks about teachers, events & people of the college. It also includes articles of the students of the college. The magazine encourages habits of independent thought and serves to introduce students to the techniques involved in creating wiriting.

7. STUDENT COUNCIL :

It is union of students and teachers who want to reform society and develop society through preservance. The aim is to inculcate the rational thinking among the students. Student Council tries to generate sense of equality, social justice, secularism, women empowerment among the students.

8. ALUMNI :

It is proposed activity of the college. It is the Alumni Association, the organization of former students, faculty and staff. It provides a forum for alumni to maintain and develop their links with the Institute. It encourages present and past students to be a part of the college and consequently be a part of Karve family.

EXAMINATIONS

1. ATTENDANCE :

The Students are required to have 75% of attendance in each subject, one who fails to fulfill the condition will not be allowed to appear for the final examinations of the semester. In case, the absence is due to illness, medical certificate will have to be produced for consideration.

Examination and Evaluation :

F.Y. - College level Examination

S.Y. & T.Y. - University Examinations

Attendance : 75% in each subject

2. MARKING SCHEME :

* External 75   * Internal 25

All courses are for 3 years. It has six semesters in all. The exam. pattern for each semester is divided into two parts. i. e. continuous assessment (i. e. 2 Unit Tests and 1 Preliminary Exam.) and term end exam (i. e. Final Exam.)

Here, continuous assessment accounts 25% which is considered as internals while the term and exam. accounts 75% which is considered as externals.

The final result is given by summing up the marks obtained in internals and Externals.

3. PASSING CRITERIA :

Course/Criteria	BCA	B.A./B.Com.
Internal	Min. 10 marks out of 25	Min. 9 marks out of 25
External	Min. 30 marks out of 75	Min. 26 marks out of 75

4. REQUIREMENT TO KEEP TERMS :

If the total number of papers in semester I and II (or III and IV) put together is 12 then, a student allowed to keep term in 5 or less than 5 papers.

RESULT

The Institute has the tradition of high success. The University examination results of the Institute are always ahead of the avearage results. The college maintains a good tradition of results. Many students from our college have bagged SNDT University Merit Ranks.

GENERAL INSTRUCTIONS

1) It is compulsory for every student to fill admission form for the concerned year. Studnets are bound to pay the fees on or the last date given by the college or else will have to pay fine along with the fees.
