Empowerment of Women Through Education

Welcome

The members of College of Computer Application for Women, Satara would very much like to welcome you as a valued student. Thank you for taking time to look through our prospectus. We hope you will find it an encouraging introduction to the college.

About Our Samstha

Our parent body "Maharshi Karve Stree Shikshan Samstha's has century long history of dedicate work towards making a women educated and self reliant.

In 1896, Maharshi Karve started an ashram at Hingne, near Pune for widows and other helpless women. Despite opposition and with very meager resources, he started a simple programme of schooling for the ashram inmales because he firmly believed that was only through education that they could be made self reliant and free.

About Our University

In December 1915 Karve in his presidential address to the National Social reform Congress at Bombay announced his decision to shape his dream into reality and in 1916 the first college started with the enrollment of five students which gradually took shape as women's university.

The vision of Maharshi Karve and the foresight of Sir Vithaldas Thackersey led to the establishment of the first Women's University in Inida. Recognizing the pioneering work of Dr. Karve, Sir Vithaldas Thackersey made a generous contribution of Rs. 15 lacs to commemorate the memory of his mother, Nathibai. In 1920, after the great benefactor's mother Nathibai, the University was named as Shreemati Nathibai Damodar Thackersey Women's University.

Today, SNDT has become a symbol of excellence in higher educational opportunities for women. The journey has been a long one since 1916. There are three university campuses two at Mumbai-Churchgate and Juhu and one at Karve Road, Pune and one at Gujrat, Ahmadabad.

Vision

College is committed to the cause of women's empowerment through education by providing a wide range of professional and vocational courses in various streams such as technology, commerce and arts.

Objective

1) To achieve excellence.
2) To enhance and promote all round development of students.
3) To foster technical knowledge through education.

Motto

An Enlightened Woman is a Source of Infinite Strength.

ABOUT US

The College of Computer Application for women is established in Academic year 2000-2001. The college is affiliated to S.N.D.T. Women's University, Mumbai. Within a short span of 17 years the college has acquired reputation for quality education. The institute is related and interested to offer Bachelor Degree in Computer Application. Looking to the flow towards B.Com and B.A. Courses, we gave a thought to start up with these degree courses and for the last 5 years, we are successfully running these courses.

PROGRAMME OFFERED

Sr.No.	Programme Type	Programme Name	Duration	Intake
1.	Post Graduate	1) M.Com. - (Distance Education)	2 years	100
		2) MA - (Distance Education)	2 years	100
2.	Under Graduate	1) BCA	3 years	120
		2) BA - Economics	3 years	120
		3) BA - English	3 years	
		4) B.Com	3 years	120
		5) B.Com - Vocational	3 years	
3.	Skill Development Courses	•Tally ERP 9.0	3 Months	
		•Advance Excel	3 Months	
		•Web Designing	3 Months	
		•Desktop Publishing	3 Months	
		•Foreign Language-German, Japnese	3 Months	
		•IBPS (Banking Exam Guidance)	2 Months	
		•Spoken English	2 Months	
		•Software Testing	3 Months	
		•Mastering Data Entry	1 Month	
		•Mastering Computer Typing	1 Month	
		•Basic Computer Course	1 Month	
		•Certified Software Training by spoken tutorial project, IIT Bombay		

IMPORTANCE OF COURSES

• Scope of BCA •

BCA is new age degree course in the field of computer applications. The duration of course is 3 years. After completion of BCA, students can do masters or they try for job opportunities. Bachelor of Computer Application is a course that is customized for students wishing to shine in the field or computers and information technology. BCA graduates can start up their career in either government sector of private sector since there are lot of opportunities in both these sectors. This degree helps the students to get a sound knowledge on Computer Application with help of which they can have a perfect launch pad for challenging career in the field of information technology. Most of the students doing their higher secondary education think that science students alone can apply for the BCA course. But, this is not true, even arts and commerce students can apply for BCA course. There are many national IT companies like Infosys, Capgemini, Wipro, Reliance, TCS, Cognizant etc. which are looking for qualified BCA students. On an average, the students of BCA gets Rs. 17,000/- to 20,000/- per month. The salary can further be increased by having some work experience in some good company.

• HIGHLIGHTS •

1. Qualified and Experienced Faculty.
2. Highly Equipped Computer Laboratory, 75 computers, Servers, Switches, Hubs, LCD Monitors and etc.
3. Internet facility to assist Student around Clock.
4. All practical ae performed by individual students.
5. In-house project in the final year of BCA, assisting one faculty to each student personally.
6. Assessing each student progress monthly through practical test for each programming language at the end of the month.
7. Campus interviews for job assistance after BCA.
8. Lab assistants are available to provide basic assistance in the use of the computer.
9. Wi-fi campus
10. Extra Curricular Activities.

Scope of Bachelor of Commerce

Commerce is the cornerstone of the modern economy. It relates to the economic, political, legal, social, cultural and technological activities that impact on commercial interactions around the world. Students will also learn the fundamentals of economics and how the decisions of individuals, businesses and government influence the behavior of the economy.

There are various study areas that open up as many career opportunities as Commerce. Graduates in Commerce work all over the world. They work in banking, management, finance and insurance. They work for the government, major corporations and themselves. Graduates will be able to explore several career paths.

Examples of roles that graduates can pursue include operations manager for a small-to-medium enterprise, stockbroker for a national stock exchange, business analyst in a bank for consulting firm, economic advisor to a government minister, marketing consultant in a large corporation, self-employed financial advisor or analyst for a bank or financial institution.

• HIGHLIGHTS •

1. Highly Qualified Staff.
2. Industrial Visits.
3. Workshop, Guest Lectures for overall development of students.
4. Skill development courses for students.
5. Extra-curricular activities.

COLLEGE INFRASTRUCTURE

Library

A college would be incomplete without a good library. It forms an integral part of any college as it helps students with its vast collection of books. The main objective of it is to support the educational & research needs of institute by providing physical & intellectual access to information. The library consist of Reference section, Journal Section & Reading Hall.

An open accessed library where students can freely makes use of 10000 books, periodicals, magazines, journals & educational CD's on various subjects. Our library consists of subjects other than those taught in college.
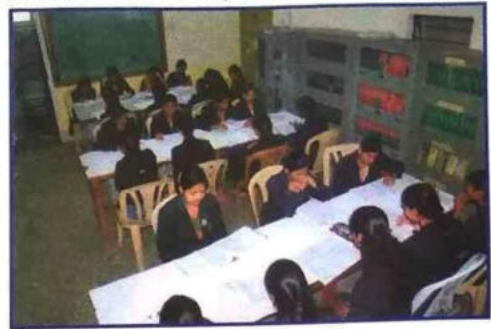

Computer Laboraory

Computer Laboratory is an integral part of any Computer college. It is th place where student should practically learn the subject. Computer Laboratory has networked computers with a latest hardware configuration. All the computers are equipped with latest software required to cover the BCA syllabus.

Printers are made available for the students during their submissions. In addition, A Broad-band Internet facility is also available. However, the computer laboratory is passing through the transformation stage, so as to make it at par with IT industries. Internet access is given to all students in their practical hours and whenever demanded during college hours.
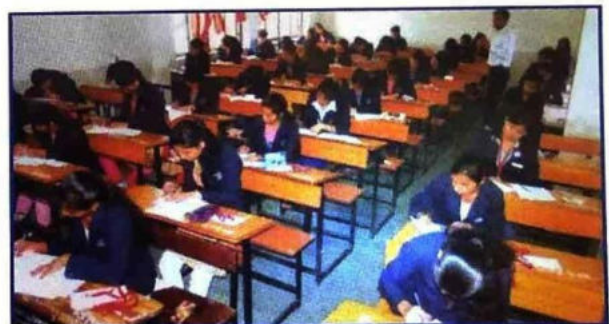

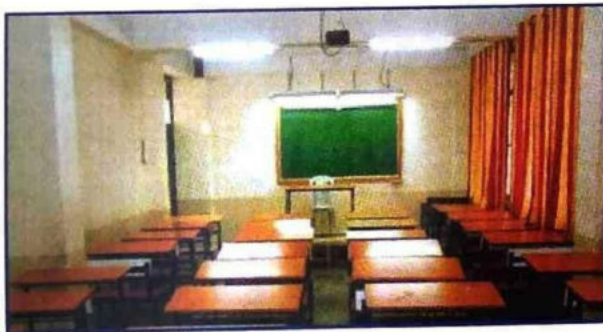

Well equipped digital class rooms
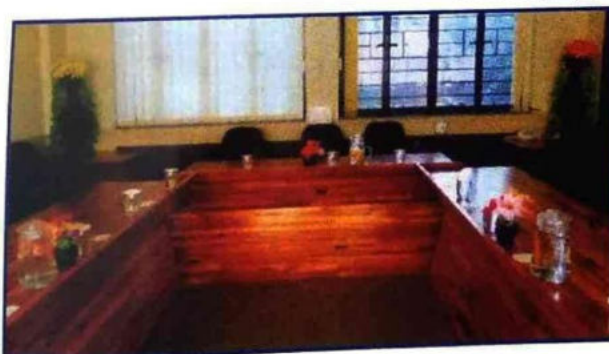

Conference Room

College Ground

Sports

N.S.S.

Annual Function

Our college runs placement activity through training & placement section. Various programmes conduct for career enhancement of students, placement training sessions organized for students.

Objective -

1) To train students according to local as well as global requirements of careers.
2) To council students according to their career plans.
3) To improve campus placements through campus drives.

Features -

1) Organize seminars & guest lectures by experts.
2) Industrial visits for students.
3) Laboratory & Library Facility.
4) Mock Interviews.
5) Career & Free councelling with free access to internet.
6) Aptitude Tests.

		SYBCA	20,260/-
		TYBCA	20,940/-
2.	B.A.	FYBA	4,230/-
		SYBA	3,960/-
		TYBA	3,960/-
3.	B.Com	FYB.Com	4,860/-
		SYB.Com	4,790/-
		TYB.Com	4,790/-

SCHOLARSHIPS & AWARDS

Various scholarships are made available to the students. Eligible student can apply through proper channel. Notices regarding the procedures and types of scholarships, payments of scholarships etc. are displayed on notice board time to time.

EXTRA CURRICULAR ACTIVITIES

1. NSS FACILITY :

With a motto of 'Not me But you' the NSS unit of this college has been very active with tremendous response among students. It provides opportunities to students to understand and appreciate problems in society. Volunteers have completed several social service projects such as village cleaning, tree plantation, literacy, health campaigns etc.

2. SPORTS :

Though it is computer institute, many of students are ahead in sports field. Our students played various games at zonal interzonal, Interuniversity, state, national level like swimming, chess, basketball, volleyball, kho-kho, kabaddi, judo, boxing and athletics.

3. CULTURAL ACTIVITY :

It provides various opportunities to the students. It helps to develop various skills like presentation, communication and also helps the students to develop the confidence. SNDT University organises Youth Festival at Zonal and Central level. Every year college participates in most of the events at both the levels. About 100 students participate in Zonal Youth Festival and 50 students participate in grand finale at Churchgate Mumbai.

4. SKILL DEVELOPMENT PROGRAMME :

There is a carrer guidance bureau also in the college which regularly conducts seminars, group discussions, workshops, preparation for interview and personality development programmes. The library provides the guidance materials in the form of books, magazines and journals for different competitive examination.

5. PLACEMENT CELL :

Marks scored in the exam, are not sufficient to get the job, so it has become necessary for the students to acquire necessary professionals skills. Mastery over the Softskills, Communication skills and Professional skills has become the most essential in achieving success in the corporate world. Getting the right job information at right time is very important Realizing, the Institute has separate placement cell.

6. MAHARSHI :

'Maharshi' the college magazine spreads the essence of college in the form of words annually. It aims at providing an outlet and reputed stage to the creative as well as literary talent of students and also students are encouraged to express their opinions and views on related topic in the form of fiction, non-fiction, poetry, one act play and story. It is the mirror of annual progress of institute in various fields.

7. STUDENT COUNCIL :

It is union of students and teachers who want to reform society and develop society through preservance. The aim is to inculcate the rational thinking among the students. Student Council tries to generate sense of equality, social justice, secularism, women empowerment among the students.

8. ALUMNI :

The alumni association of the college was established in the academic year 2012-13. It provides a forum for alumni to maintain and part to college and consequently be a part of karve family.

9. PARENTS MEET :

The college organizes parent-teacher meetings twice in a year under the guidance and presidentship of principal. Teachers and parents as well as students attends the meet.

EXAMINATIONS

1. ATTENDANCE :

The Students are required to have 75% of attendance in each subject, one who fails to fulfill the condition will not be allowed to appear for the final examinations of the se- mester. In case, the absence is due to illness, medical certificate will have to be produced for consideration.

Examination and Evaluation :

F.Y.- College level Examination

S.Y. & T.Y. - University Examinations

Attendance : 75% in each subject

2. MARKING SCHEME :

*External 75 * Internal 25

All courses are for 3 years. It has six semesters in all. The exam, pattern for each semester is divided into two parts. i.e. continuos assessment (i.e. 2 Unit Tests and 1 Preliminary Exam.) and term end exam (i.e. Final Exam.)

Here, continuous assesement accounts 25% which is considered as internals and Externals.

3. PASSING CRITERIA :

Courses/Criteria	BCA	B.A./B.Com.
Internal	Min. 10 marks out of 25	Min. 9 marks out of 25
External	Min. 30 marks out of 75	Min. 26 marks out of 75

4. REQUIREMENT TO KEEP TERMS :

If the total number of papers in semester I and II (or III and IV) put together is 12 then, a student allowed to keep term in 5 or less than 5 papers.

RESULT

The Institute has the tradition of high success. The University examination results of the Institute are always ahead of the avearage results. The college maintains a good tradition of results. Many students from our college have bagged SNDT University Merit Ranks.

GENERAL INSTRUCTIONS

1) It is compulsory for every student to fill admission form for the concerned year. Students are bound to pay the fees on or the last date given by the college or else will have to pay fine along with the fees.
